Tuesday the 25th is a teachers in-service day. So we are partnering with First Baptist. Meet at Friendship Family Life Center from 10-12 for training. Then we will go out to lunch (bring money for lunch). Then we will go to UCA and share the gospel. We will have plenty of parents and college students who have shared before and we will partner everyone up with and an experienced person. So if it is your first time; Come.

JOHN 15

Many times we talk about really making a difference for Christ. That should be a Christians passion. Maybe you are like me: I can get in the habit of doing and doing and doing. Sometimes when I do this I make what I do more important than spending time with God. John 15 calls this abiding or remaining with Christ. In John 15 Jesus makes two things very clear. 1) Apart from him we can do nothing. 2) If we abide with him we will bear the kind of fruit that both brings glory to God and we will also prove to be his disciples. So as school is in full swing right now don't forget to do the most important thing. Abide in Christ. Spend time with him.

This month we are going to be challenging you to do that in two very specific ways.

- 1)Memorizing Scripture. We have started the TMS challenge. How many verses have you memorized? If you have not started; start today.
- 2)Spend daily time with God. If you have not started a 31 day challenge today would be a great time. If you have already finished that on Oct 12 we are going to start another scripture plan called p9ox.

It's a privilege to serve with you!
