'12' YOUTH

October

Caleb was willing to wait 45 years for the promise of God. How long are you willing to wait?

Spirit Week At Vilonia High School!

OCTOBER = JAMMED PACKED WITH GOD

Students responded to the gospel, students shared the gospel, P90x was introduced, the relationship study came to an end and October was over before we could blink our eyes.

It was a busy month but God did some awesome things. October 7th Jon Randles and Two empty Chairs came down (the same duo that lead worship and spoke at Super Summer). God showed up big time, we saw many professions of faith including three from our Church. Gospel explosion was a real highlight for me. To see our students really venture out and share their faith.

God has also been doing some amazing things at our Church. What a celebration to see so many professions of faith this month Church wide.

Devotional Thought:

I was reading about Jehoshaphat from the Old Testament this month and two things stood out; 1) God grew his army steadily 2) He had valiant warriors. God is raising up valiant warriors in our youth group who are going to

spread his name wherever they go. As we are growing it has been encouraging to see our students becoming those valiant warriors; those sharks. I am proud of you guys. However we still have a long way to go so don't get content.

What really fires me up is that I have been seeing valiant warriors rise up in our youth group. I have had students come up to me and say we shared the gospel with our friends and teachers. I have seen valiant warriors lead their friends to Christ. Let's continue to be valiant for our King!

Prayer Requests:

Pray for Angela this month.

Pray for Colton Johnson's Grandma, she was in ICU.

Pray that our Youth Group would be known for spreading the gospel in Vilonia and to the ends of the earth.

Chris Tomlin and Louie Giglio came to Little Rock. It was a great message and time of worship as we took a good group of our students.

The Power of the Gospel

Romans 1:16, 'I am not ashamed of the gospel because it is the power of God for the salvation of everyone who believes, first for the Jew, then for the Gentile.'

At the Tomlin Concert we had an extra ticket. We ran around trying to give it away and also share the gospel. We saw a guy and we chased him down at Burger King. He was there trying to get a job as a truck driver but did not get it. We asked him if we could buy him a meal and also share the bridge illustration. It hit me as we shared that he was hurting. He said he had no friends. As we went through the gospel the Holy Spirit was

working and he really seemed to be getting it. He finally saw that from 0-100% he was zero (on man's side). I asked him if he wanted to accept Christ and he was not quite ready.

However I left hopeful because even though he was not quite ready he seemed like he might legitimately do it later. We asked him if we could pray for him and then I gave him five dollars. What is really cool about this story is that we walked a little ways and there was a five dollar bill just laying there. God has a sense of humor. **Pray that Craig would accept what Jesus for him on the cross and would grow as a Christian.**
